

## MHB Steel door hardware

MHB high quality hardware line | Concealed fixing system | Any RAL colour

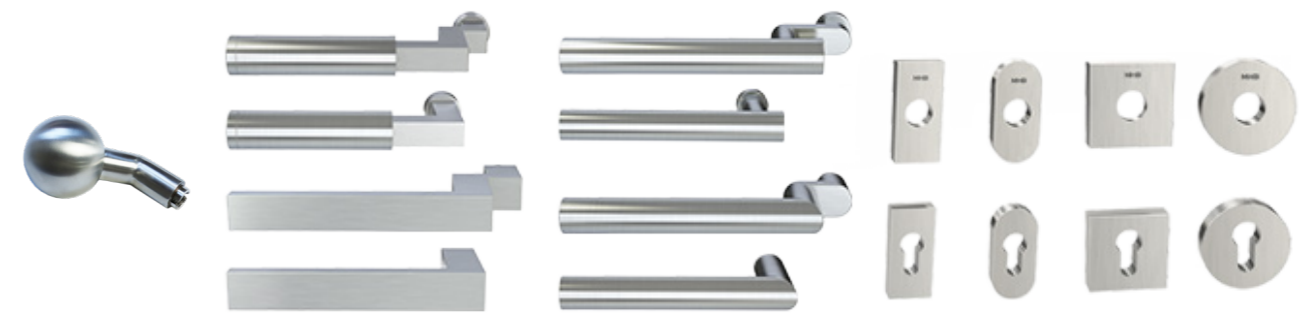

## Overview

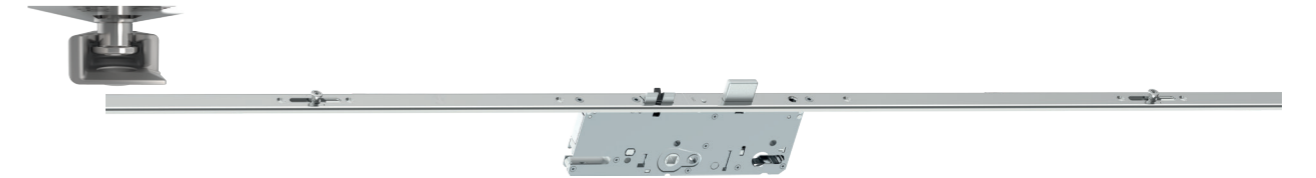

MHB has designed a high quality, stainless steel line of handles and escutcheons with a unique advantage: they are all interchangeable. All the handles and escutcheons are incredibly durable and have a genuinely different touch. Made from solid steel, the handles convey a haptic feeling of quality and importance, befitting a high quality steel window or door.

- Design & surface treatment is done completely in-house, guaranteeing full adherence to the highest quality standards.
- Concealed fixing system for aesthetic superiority.
- No need for a separate cover plate.
- Apply any RAL colour or actual precious metals such as bronze for a unique and durable surface on the MHB Hardware line.
