

## MHB Folding door

Multi-point locking system | 3 or 5 sashes | Active lock mullion door

## Overview

Integrate your indoors with the outdoors with MHB's steel folding doors. With an ultra-slim sightline of only 1 5/8", these doors extend your home or office to the outdoors, while providing the strength and insulation of our SL30-ISO® thermally broken steel profile system. They guarantee comfort and an abundance of natural light inside. With their sleek, modern design, these doors are the perfect choice for those seeking to seamlessly blend their indoor and outdoor spaces.

- Multi-point locking system, for optimum security.
- Maximum leaf size: 1000 x 3650 mm / 3' 3 3/8" x 11' 11 1/16" for a max. surface of 3,65m² / 4.36 yd², 150 kg / 330 lbs per leaf.
- Customizable with true divided or simulated divided glass partitioning and glass stops.
- Create a harmonious look with consistent detailing across all configurations in your project.
- Apply any RAL colour or actual precious metals such as bronze for a unique and durable finish.
- Available in the SL30-ISO® patented profile system.

## Performance

### ■ Water Tightness

Class 4A, 150Pa - NEN-EN 12208

Successfully tested with performance values of up to\*:

Class 9A, 600Pa - NEN-EN 12208

### ■ Windload Resistance

Class C3 - NEN-EN 12210

### ■ Air Permeability

Class 4 - NEN-EN 12207

### ■ Thermal Transmittance

For 1000 x 3000 mm / 3' 3 3/8" x 9' 10 1/8"

Up to Uw 0.73 W/ m² K (Ug = 0.5)

NEN-EN 10077-1 + NEN-EN 10077-2

## Unrivalled freedom to design

MHB is the exclusive developer and manufacturer of all its patented profile systems, which allows us to improve and adapt our products on a project-specific basis. If you have any project-specific needs or wishes, please let us know and we will work with you to create the optimal solution:

- Custom detailing.
- Custom oversized door dimensions.
